Sub. : Invitation to participate in 'Geek-a-Hertz' an Annual Inter School Tech Fest 2016

Dear Sir / Madam

"Technology is not an event, it's a part of everyday learning".

With immense pleasure we invite the students of your school to participate in 'Geek-a-Hertz' - the Annual Inter-School TechFest 2016, to be held on Thursday 27.10.2016.

As learning different languages open up the ability to communicate, learning computer skills gives children the ability to create the technologies that impact the entire living world. This Tech-Fest

aims to provide a platform for students of classes III to XII to display their computer skills.

The details of the various competitions are available on www.saintmarksschool.com/geekahertz and registration can be done online on the following link <http://bit.ly/2c38jak>

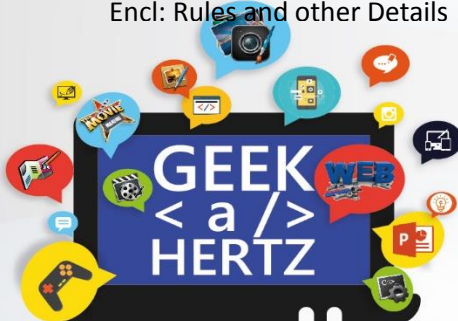

Please note that entries will be accepted latest by **14.10.2016**, you are requested to kindly confirm your participation at the earliest.

Thanking you
Yours sincerely
